Instructions:

1. Cut out the cover insert, on page 1, around the outer perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.
4. Cut out the tray insert, on page 2, around the outer perimeter.
5. The right-most long narrow title "tab", on the tray insert, is for CD case with a transparent tray. Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title "tabs" to a 90 degree angle, away from the main tray cover portion. If the right-most "tab" is retained for a transparent tray, fold that "tab" 90 degrees again, away from the title "tab" next to it. The text should appear around the exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat against the case.
10. Please appropriately discard this portion and the scrap bits of paper.

The Stretton Street Affair

Hugh Gabriel has recently been repatriated from the war and has rejoined his old firm as an electrical engineer. On the way to visit his uncle one night, he is asked by a servant if he would be willing to meet with his wealthy master who is in some distress. Hugh becomes witness to, and directly involved with, a dastardly murder. Or has he? Who is this mysterious millionaire Oswald De Gex he has been asked to meet with? Is Doctor Moroni an honest physician or a diabolical monster? And what about the fair Gabrielle – but then, is there more than one Gabrielle? Le Queux, the Master of Mystery once again weaves an intricate plot which takes Hugh Gabriel to locations throughout Europe as he tries to unravel a scheme that he does not understand, nor why he is involved.
